

STUDENT SELF EVALUATION

to be completed by pre-service teacher in consultation with Associate Teacher at the end of the teaching practicum

What aspects of the practicum gave you the greatest satisfaction?

In what aspects of Professional Relationships and Values did you make the most development?

In what aspects of Professional Knowledge did you make the most development?

In what aspects of Professional Practice did you make the most development?

List the aspects of your classroom work that you feel need strengthening during the next teaching practicum. You will have identified one professional goal in *Becoming Familiar with Classroom Practice* and you may wish to include this here. **(Kākano Rua pre-service teachers are expected to include an extra goal to support their development in te reo Māori. This should link to the Reo Māori Framework in the handbook).**
